## **Spend your summer at Walsh LLP and become a part of the Walsh experience!**

So you're a 2L law student and you need experience. We are here to help! Walsh LLP is proud to once again be able to offer a summer student program for 2026 and we are looking for 1-2 dynamic 2L individuals to become future lawyers with our firm.

### **What is Walsh LLP?**

Walsh LLP is a full-service law firm located in downtown Calgary who has served clients throughout Southern Alberta for over 60 years. Our 31 lawyers pride themselves on providing exemplary service to a wide range of clients with diverse legal needs. Our practice areas include civil and commercial litigation, business and corporate law, wills and estates, First Nations law, agriculture law, insolvency law, as well as residential and commercial real estate.

### **What do we believe in?**

Walsh LLP believes in putting our clients and colleagues at the forefront of our considerations in all that we do. With unwavering passion and determination, we have cultivated a culture-first attitude that values support, collaboration, and inclusivity. Our approach fuses tradition with a modern mindset that yields people-centred solutions. Walsh LLP creates and embraces dedicated partnerships with our clients that ensure expectations are exceeded and results are unparalleled.

### **How will you contribute to the Walsh team?**

Summer students can expect to have a well-rounded legal experience. We believe that providing students with real-work legal experience is the best way for them to learn how to become young lawyers. From the time our summer students join us, they will find themselves drafting legal documents, sitting in on client meetings, and gaining experience by attending applications and trials with our Partners and Associates. We strive to foster a team environment with a view to providing high-quality client service, all while providing our lawyers with balance and respect.

### **What's next?**

Now that you know a little bit about us, are you interested in becoming part of the team for the summer? If so please apply, we look forward to meeting you!

**Walsh is a special place to work – and that's all down to the people who make it their home.** If you're interested in joining our team, please submit your cover letter and resume to [careers@walshlaw.ca](mailto:careers@walshlaw.ca).

Please note that Walsh LLP adheres to the Law Society of Alberta student recruitment rules and will be abiding by the recruitment timelines posted on their website.
